Town Newsletter

Stay Up-to-Date: NorthEastMD.org

Maintenance Department

- New speed bump lines on Walnut Street near the community park have been freshly marked.
- Painted stop lines will be added in Ridgely Forest.
- Check out Main Street for the new poinsettia banners!
- New Christmas wreaths are now displayed along Town Hall.

Planning & Zoning Department

- A reminder to contact the Planning Office for permits related to signs, fences, utility buildings, or construction projects within Town.
- Planning staff are also dedicating time to preparations for the Christmas Parade!

Police Department

Please stay vigilant while Christmas shopping. Place packages out of sight or secure them in the trunk of your vehicle.

Finance Department

The next quarterly water bill will be mailed on **12/31/25**.

Consider enrolling in **AutoPay**, an easy, convenient, and secure way to ensure your utility bill is paid automatically each billing cycle. AutoPay prevents second-notice fees and service shutoff due to missed due dates.

Water Department

- Improvements to the Water Plant are underway!
- A new Total Organic Carbon (TOC) Meter allows staff to make real-time adjustments rather than relying on time-intensive testing.
- Powder Activated Carbon will further improve water quality and reduce TOCs.
- The Leslie Water Treatment Plant pond is currently undergoing sediment removal to improve water sourcing.
