GENERAL:

1. The Committee has arranged for Santa Claus who will appear at the end of the parade. No one may have a Santa in their entry – please do not confuse the children with another Santa! Thank you in advance for your cooperation.
2. To aid the judges, please have some way of identifying your entry or car – a sign, banner, etc. Do not forget to identify yourself from both sides of Main Street. Historic/Street Rod vehicles please have the model and year of your vehicle on both side windows. Parade entries can compete in only one category. Each entry will be judged on its overall presentation.
3. All cars, trucks, and other motorized vehicles must be driven by licensed, insured drivers. We are aware that many organizations rely on volunteers to assist with parade entries. Please make every effort to utilize drivers that are proficient in being able to back-up vehicles, trailers, floats, etc.
4. Horses, dogs, cows, reptiles and any other wild or domestic animals shall not be in the parade without being identified on the Parade application.
5. No soliciting or advertising for membership of organizations is permitted on floats, signs, vehicles, etc.

No political floats, vehicles or groups containing signs, banners, t-shirts or any other type of political advertising promoting specific candidates or ballot questions will be permitted. ONLY seated elected officials may be part of the parade but their entries must have a Christmas theme and must be decorated Christmas appropriate. These entries may contain the name of the elected official but will have no reference to any upcoming election. Any entry that does not follow these guidelines (at the sole discretion of the parade officials) will not be allowed to participate and asked to leave the parade lineup.
7. All applicants must return the application with a signature.
8. All entries must stay a safe distance behind the entry in front of you. Please do not bunch-up or allow a large gap to form in front of you.
9. Staging Area directions (page 5) must be followed. Anyone attempting to stage other than by the directions will be denied and re-routed. You may not park in the staging area unless your vehicle is to be driven in the parade. Entries with participants walking in the parade shall have participants staged together. **Entries cannot have members of the group along the line up just waiting to join their group.**
10. The Parade Committee will be wearing reflective vests or shirts – please follow their directions!
11. Entries depicting and/or promoting violence, illegal drugs, illicit or illegal activities and otherwise inappropriate for a family audience, will be disqualified and not be allowed in the parade.

13. If you are completing this application on behalf of an organization or group, **please make sure all members of the organization or group receive a copy of the Regulations and Directions.**
14. Cancellation: If inclement weather prevents the parade, notice will be given on the answering machine at 410-287-5801 and at www.northeastmd.org.
