

April 2026

Town Newsletter

Stay Up-to-Date: NorthEastMD.org

A brand new Cecil County Public Library Story Trail has opened this month at North East Community Park. Thank you to the generous anonymous donor!

Water Department

An online manganese monitor has been ordered for the Rolling Mill Plant and is expected to be operational within the next couple of months. This system will continuously monitor manganese levels whenever the plant is running. If levels reach the alarm point, the system will automatically shut down the plant and notify the operator. This enhancement will improve overall water quality.

The new SCADA system installation at the Leslie Plant is nearly complete, and installation at the Rolling Mill Plant will begin shortly. This upgrade provides additional safeguards and brings the Town's water treatment facilities up to current technology standards.

Planning & Zoning Department

The Draft 2040 Comprehensive Plan Open House, held on April 14, 2026, was well attended. Public hearings for this document are scheduled for Fall 2026.

Construction Authorization Requirements

A reminder that Town Construction Authorizations and County Building Permits are required for all structural improvements to your property. This includes, but is not limited to, decks, utility buildings, interior renovations, swimming pools, and similar projects.

Police Department

Residents are reminded that mini bikes are not permitted on Town streets. Additionally, please be mindful of your speed in residential neighborhoods, as children and families are spending more time outdoors during the warmer months.

Finance Department

Effective July 1, 2026, a 3% fee will be applied to water bill payments made by credit card. ACH (bank transfer) payments will remain free of charge.

Maintenance Department

We invite you to enjoy the new Story Trail at North East Community Park. Please help us keep our public spaces beautiful by not picking, walking on, or disturbing landscaping along Main Street or within our parks.

ST. MARY ANNE'S GARDEN MARKET
2026 Celebrating 27 Years!
FRI, MAY 1st 8:30AM-6PM
SAT, MAY 2nd 8:30AM-4PM
